

**SCHEDULE F - FORM 3**

**THE MINES AND MINERALS ACT**

**NOTICE OF DISCOVERY -  
Exploration Licence**

To: Director of Mines, Dept. of Mineral Resources,  
5th Floor, Youyi Building, Brookfields, Freetown.

From: Name (please print) .....  
Holder of exclusive prospecting licence No. ....

**Note:** Please specify relevant section (a), (b), or (c).

(a) Please be notified that I have discovered the following mineral or minerals not specified in my licence.

I wish to have these **additional minerals** added to my list of specified minerals, and have my licence amended accordingly.

(b) Please be notified that I have determined the existence of a **mineral deposit of possible economic value**, containing the following minerals.

.....  
.....

I wish to add this discovery and any additional minerals not already specified to my list and have my licence amended accordingly.

(c) Please be notified that I have determined the existence of a "**commercial discovery**" of a mineral deposit which shall be subjected to further feasibility studies leading to an application for a mining lease.

I wish to add this discovery and any additional minerals not already specified to my list and have my licence amended accordingly.
